

TOP SECRET

SECURITY INFORMATION

Proposed Cable to: Far East Command

25X1A

SUBJECT : PEB Plans [REDACTED]

1. Washington interdepartmental coordination for approved PEB plans provides that in areas of military responsibility, CIA will forward its plan to appropriate senior CIA field representatives for presentation as a recommendation to the respective Theater Commanders in accordance with normal staff procedures and for comment and determination of logistical and personnel support capabilities. Logistical and personnel inadequacies limiting execution of the plan will be reported by the senior CIA field representatives to the CIA in Washington.

25X1A

2. Annex G [REDACTED] provided certain action effects desired and certain psychological effects desired for accomplishment of national objectives. No specifics with respect to personnel or logistical requirements were stated; this determination to be made by respective departments and agencies.

3. CIA covert plan is responsive to effects desired in Annex G, including CIA determination of personnel and logistic support required
